BRIDGES N.1

Works contract amount
Euro 97.663.350,00

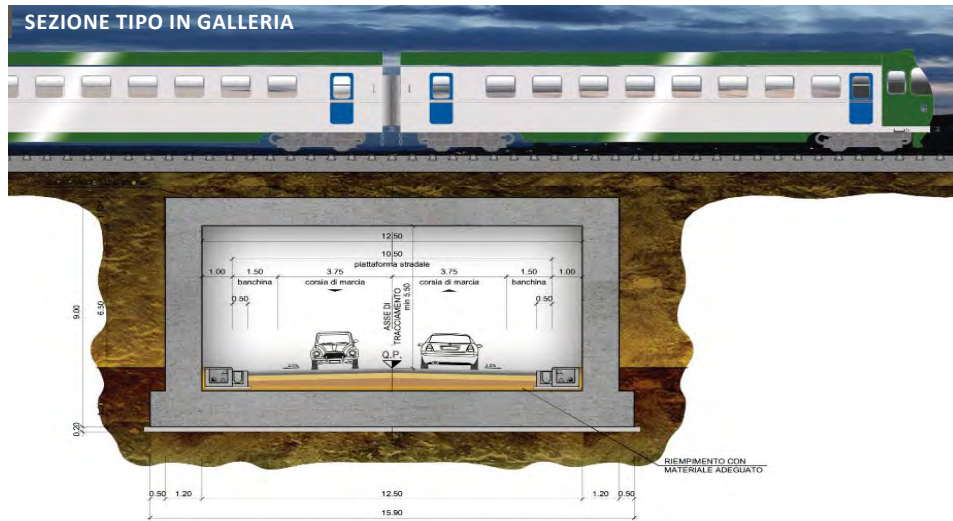

The definition of the new connection between the Castelli Ring Road and the township of Cisterna di Latina was necessary to intercept the demand for mobility from the Castelli Romani's municipalities and the Agro Pontino, and distribute it adequately on the principle roads in plan such as the New Motorway link Cisterna Valmontone, the New Motorway Roma Latina and the Tangenziale dei Castelli / Appia.
